

EEAS Vacancy Notice

Seconded National Expert in the Directorate for Global Issues (GII.GLOBAL.GI)

Policy Officer – energy diplomacy, Green Transition Division (GII.GLOBAL.GI.3)

COST-FREE

AD level post

Job No 380472

We are:

The European External Action Service (EEAS) supports the High Representative in the exercise of her mandate to conduct and implement an effective and coherent EU Common Foreign and Security Policy (CFSP), of representing the EU and of chairing the Foreign Affairs Council. It also supports the High Representative in her capacity as Vice-President of the Commission with regard to her responsibilities within the Commission in the external relations field including the coordination of other aspects of the EU's external action. The EEAS works in close cooperation with the General Secretariat of the Council, the services of the Commission and the Secretariat General of the European Parliament.

We propose:

The post of a “cost-free” Seconded National Expert on the position of policy officer for energy diplomacy in the Green Transition Division (GII.GLOBAL.3).

The successful candidate will join the Green Transition Division within the Directorate for Global Issues, which ensures that the EU's foreign and security policy tackles pressing global challenges related to energy, climate and environment, including their geopolitical impact and in relations with partners, in both bilateral and multilateral settings. The Division is the focal point within the EEAS for policymaking and guidance on the external dimension of energy, climate and environment policy. Our overriding objective is to improve the integration of these aspects into the EU's relations with countries, regions and multilateral bodies worldwide.

Functions and Duties:

Under the authority of the Head of Division, the Seconded National Expert is expected to perform the following tasks:

- Provide analysis and political advice on the formulation and implementation of the external dimension of EU energy policy, notably the energy transition, energy efficiency and energy security;
- Contribute to diplomatic outreach to third countries and international organisations to promote the global energy transition at bilateral and multilateral level;
- Follow up to and operationalise Foreign Affairs Council's Conclusions on Energy and Climate Diplomacy;
- Work towards strengthening coordination with other EU institutions as well as with third country partners, multilateral organisations and other stakeholders, including industry and civil society;
- Liaise with other EEAS departments and Commission services on matters related to energy policy and the energy transition.

- Prepare policy papers, speeches and briefings for the High Representative/Vice President, EEAS management, European Commission, etc.
- Participate in inter-services processes for the EEAS, in EU Council work (Energy Working Party and other relevant formats).

We are looking for:

The European External Action Service (EEAS) is seeking a dynamic, proactive and highly motivated colleague with strong analytical and networking skills to occupy the post of Seconded National Expert (SNE).

The candidate should have a good understanding of EU policy-making and decision-making processes, and an understanding of inter-institutional relations as well as have relevant political experience in the proposed areas. The candidate will be working in a friendly and dynamic environment and contribute to the work of the Green Transition Division. He/she will have to work in an international and multicultural environment in close synergy with Member States and EU institutions.

Legal basis:

- This vacancy is to be filled in accordance with the EEAS Decision of the High Representative of the Union for Foreign Affairs and Security Policy HR DEC(2014) 01 of 04/02/2014 establishing the rules applicable to National Experts seconded to the European External Action Service.

Eligibility criteria:

Candidates must:

- a) Be drawn from public administrations in Member States, from international organisations or, only in exceptional cases and with prior authorisation from other sources;
- b) Have at least three years' full-time experience of administrative, scientific, technical, advisory or supervisory functions equivalent to those of function groups AD or AST as defined in the Staff Regulations of Officials of the European Union and the Conditions of Employment of other servants of the Union or, where justified in the interests of the service, professional training of an equivalent level.¹;
- c) Have a thorough knowledge of one Union language and a satisfactory knowledge of a second language for the performance of his/her duties;
- d) Have a security clearance of minimum level **EU-SECRET/SECRET-UE** for the functions that he/she will carry out;
- e) Remain in the service of the employer throughout the period of secondment and shall be paid by that employer;
- f) Remain subject to the social security legislation applicable to the public administration, international administration or entity which employs the SNE and which will assume responsibility for expenses incurred abroad. In case of posting to an EU Delegation, the employer certifies that the SNE is covered for medical expenses incurred at the place of secondment, as well as costs of repatriation on health grounds throughout the full period of secondment;

- g) Ensure that there is no conflict of interest and that he/she will, at all times, safeguard the independence and coherence of EU foreign policy as well as the integrity and confidentiality of EU documentation, information and procedures.

Selection criteria:

Candidates should:

A. Professional knowledge

- Have a University diploma in law, political science, economy, business administration or any other related issue.
-
- Have a professional experience of at least 3 years, preferably in a Member State Ministry or international organisation.
- Have extensive knowledge of energy policy in Member States or international organizations. Good working knowledge of the EU (institutional) environment and instruments in the area of external and security policy. Proven reporting and analysis capacity.

B. Skills

- Have the capacity to work under time constraints in an international diplomatic and multilingual environment. Intercultural sensitivity skills are required.
- Have the ability to work in a team, to coordinate and to communicate effectively.
- Have solid analytical capability as well as drafting and reporting skills. Rapid grasp of problems and capacity to identify issues and solutions.

C. Languages

- A thorough knowledge (capacity to write and speak) in English is required. Operational knowledge of French would be an asset.

D. Personal Qualities

- Be dynamic, motivated and flexible. Able to adapt quickly to new situations and deal with new challenges.

Equal opportunities

- The EEAS is committed to an equal opportunities policy for all its staff and applicants. The EEAS is committed to promoting gender equality and to preventing discrimination on any grounds. It actively welcomes applications from all qualified candidates from diverse backgrounds and from the broadest possible geographical basis amongst the EU Member States. We aim at a service which is truly representative of society, where each staff member feels respected, is able to give their best and can develop their full potential.

- Candidates with disabilities are invited to contact SNE-HQ@eeas.europa.eu in order to accommodate any special needs and provide assistance to ensure the possibility to pass the selection procedure with equal opportunities as other candidates. If a candidate with a disability is selected for a vacant post, the EEAS is committed to providing reasonable accommodation in accordance with Art 1d.4 of the Staff Regulations.

Conditions of secondment

SNEs shall remain in the service of their employer throughout the period of secondment and shall continue to be paid by that employer.

Other expenses such as removal costs, allowances, salary, insurance, schooling (while the SNE maintains the right to enrol the children in an European School Type I)[1] and costs related to the enrolment to the Interinstitutional nurseries or the After-school centre managed by the early childhood centre of the European Commission shall not be covered by the EEAS. However, in case the SNE makes use of these two facilities for their dependent children, the EEAS shall recover any invoiced cost (including the institutional and the parental contribution, estimated at approximately EUR 18,000 per year and per child) from the Seconded National Expert concerned on a yearly basis.
